DISCUSS:

- Did you see any of the matches?
- What do you think of the TMO? Helpful or overused?

Remember your speaking frames:

- I ... because ...
- That is a good point but...
- I believe that...
- One the one hand...

WEARABLE TECHNOLOGY FOR RUGBY

Wearable Technology for rugby can provide a 'smart' step towards the rugby player of the future. The latest wave of technological innovations worn close to the body, on the body or even in the body are set to change the game of rugby forever.

Together with the introduction of intelligent playing equipment these innovative technologies will bring a new dimension to the game of rugby.

Research:

- What other technology is being used in rugby?
- What do people think of it?
- Is there any **evidence** for how it helps or doesn't help?

Write:

- Article in the same style as you just read.
- Include facts (in your own words)
- Include quotes showing different opinions
