

# A patterned curtain

Name \_\_\_\_\_ Date \_\_\_\_\_

There are two types of shapes on this patterned curtain: circles and squares.

- 1) What fraction of all the shapes are squares?
- 2) What fraction of all the shapes are circles?
- 3) What fraction of all the shapes are red circles?
- 4) What fraction of the circles are blue circles?

- 5) Draw your own curtain design with three types of shapes. Find out the fraction of each type of shape.
