

# Easter Chocolate – glossary

Name \_\_\_\_\_ Date \_\_\_\_\_

<b>show your workings</b>	Write a sum, not just your answer. <i>For example, <math>12 - 4 = 8</math></i>
<b>each</b>	every, one by one
<b>total</b>	Add all the numbers.
<b>tick</b>	✓
<b>left</b>	What you still have; the answer to a minus sum.
<b>change</b>	Money back when you give more than the price. <i>For example: Coffee is £1. I give £5. I get £4 back.</i>
<b>price</b>	How much something costs.
<b>compare</b>	more / less bigger / smaller etc...
<b>weight</b>	how heavy
<b>height</b>	how tall
<b>shape</b>	square, circle, rectangle, cube, etc...
