

## Task 1

Read the sentences below.

### The Story of Love Hearts

Two brothers were called Alfred and Maurice Matlow. They started a small factory in London in 1928. At first they made jellies and lollies. In 1933 the two brothers and a third man began to make fizzy sweets. They were like Refreshers and Parma Violets. Then in 1940 the company moved to Derbyshire. The company was called Swizzels Matlow. Now they make Love Hearts, Rainbow Drops and Drumstick Lollies.

- i) What are the names of the two brothers?

---

- ii) Name one of the sweets they make now.

---

- iii) When did the company move to Derbyshire?

---
