emmerdale star leaves 'dancing on ice'

'emmerdale' star linda lusardi has become the latest celebrity to be voted off 'dancing on ice'.

the actress failed to secure the judges' votes after she was placed in the bottom two and forced to skate-off against former 'coronation street' star zaraah abrahams.

lusardi and her skating partner dan whiston scored 19 points out of a possible 30 after performing their routine.

judge karen barber told them: "my marks were low because there was a trip and then the lift went wrong. this week the jumps have created so many nerves out there."

fellow judge ruthie henshall said: "i'm a big fan and i think you are a pleasure to watch and your personality always shines through."
