

Name _____ Date _____

JEAN

Jean is a teacher. She teaches in a primary school in Leeds.

She leaves home at 8 o'clock every day and gets to work at nearly 8.30.

The headteacher at the school is called Mrs Needham.

Jean teaches a year 4 class and on three days a week she runs the Reading Club at lunchtimes.

Jean has to keep all her paperwork neat and tidy. She feels that her appearance is important, so she wears smart casual clothes but never jeans.

Jean usually leaves work at about 5 o'clock. When she gets home, she has a cup of tea and puts her feet up.

"I really love my job, but it's hard work and I need to relax when I get home. Tea helps me to clear my head!"
