

# Using timetables: planning a journey

Name \_\_\_\_\_ Date \_\_\_\_\_

You will be using timetables to find out:

- how long it takes to travel between two places
- which bus, coach or train to catch

I want to travel from Bodicote to Banbury at eleven minutes past nine Tuesday morning. The B2 bus leaves Bodicote at 09:11 and arrives at Bridge Street Banbury at 9:25, so the journey takes 14 minutes.

When I get to town, I would like to visit my grandmother who lives on Bretch Hill at Bradley Arcade. Which bus service could I use and what time does the first bus leave Bridge Street?  
.....

How long will it take me to get to my grandmother's?.....

I need to get home to Bodicote in time to feed my fish at 17:00. What time will I need to get the bus from Bretch Hill? .....

What time will the B2 leave Bridge Street?.....and get to Bodicote?.....

### Now try these questions:

1. You want to travel from Upper Parade in Leamington to the Hilton National Hotel for an appointment at 4:00 pm on a Tuesday.

Which service will you need? .....

What time bus should you catch? .....

How long is the journey? .....

2. Using the X5, you need to get from Buckingham to the stop at Cambridge Street in St Neots by 13:50 on a Wednesday.

Which bus should you catch? .....

How long will the journey take? .....

3. You need to catch the train from Banbury station to travel to Oxford. The train leaves at 8:55. You need to catch the B2 from Bodicote. Which bus should you take to make it to the train on time?  
.....
