

Planning a journey

Steven Joy is in Cardiff at the Castle (postcode CF10 3RB). He has decided he would like to go on a holiday to Italy for the weekend.

Our task today is to choose a location in Italy and then use the internet to plan how Steven is going to get there.

As we plan his journey we need to put the information here:

Name:

Initial location:

Final Destination:

Journey part 1

Location:

Method of transport:

Length of time:

Cost:

Destination:

Journey part 2
