Calculate which deal would be best for the following people.

Person 1

Uses 100
minutes and 100
texts per month.

Person 2

Uses 80 minutes
and 200 texts per
month.

Person 3

Uses 75 minutes
and 5 texts per
week.

Put your results in a table for each person and state which package is best.

Extension

Work out how many minutes and texts you use and find out which is the best deal for you.
