L1 Functional Maths – underpinning practice
Whole numbers

Name _____ Date _____

Glossary		Meaning	Hint
	Ascending	Going up	Start with the smallest
	Descending	Going down	Start with the largest
	Overdrawn	Owing the bank money	If you are overdrawn by £10 you owe the bank £10 and your bank balance will be a negative number -£10.00
	Debit card	A card that lets you remove (spend) money from a bank account.	
	>	Greater than Higher than (temperature)	The largest / widest / open side of the symbol is always next to the larger number. E.g. Six is greater than four: **6 > 4** Twenty five is less than fifty nine: **25 < 59**
	<	Less than Lower than (temperature)
