Even & Odd Numbers

You are working as a post man and have to deliver some letters.
The left hand side of the street is the **ODD** numbers.
The right hand side of the street is the **EVEN** numbers.
Remember: EVEN numbers end in **2,4,6,8 and 0** and can be divided by **2**.
ODD numbers end in **1, 3, 5, 7, 9** and cannot be divided by **2**.

N1/E2.2 (N1/E3.1) Read, write, order and compare numbers up to 100 (1000). Recognise odd and even numbers up to 30 (1000).
Cards on p2&3 can be laminated for sorting (blank ones can then be written on with small dry wipe pens).
