You're in the Money

You have met the person of your dreams. Not only are they extremely good looking (like me) but they are extremely wealthy (unlike me).

You have been told that you are moving into a brand new 4 bedroom detached house being specially built for you.

You can spend as much as you like furnishing the house and although money is no object you have been asked to use the Littlewoods catalogue or website www.littlewoods.com

Your friend suggests that if you get them from the Argos catalogue or website www.argos.co.uk it will be cheaper and you can then spend the money you save on some new clothes.

Make a list of the items you would like to buy for your new home. Work out how much you might save.

Use the table on the next page if you need to.
